Indicate background on form and bring to school on school portrait date!

Portrait Date:
Rivermill Academy
Tues Mar 12th
Wed Mar 13th

It's Spring Portrait Time!

SEND NO MONEY ON PICTURE DAY

Each child will be photographed individually. Your child's portrait will be available for you to order on a proof sheet. Packaging and pricing will be sent home with your child's proof. Please call school or send note if you wish for siblings to be photographed together.

CLOTHING

Proper clothing allows the face to dominate the portrait, with all other elements being secondary. Choose colors that will match the style background you select.

ORDERING

Review the proofs sheet and the price information, complete your order by the deadline date. Late orders are subject to a late fee and delayed delivery. Send your completed order form and payment with cash or check back to the school. Credit and Debit cards must be paid online at the online ordering website and password printed on order form.

By purchasing school portraits, you are helping with the fundraising campaign for the school. Thank you.
